

THE IDB GROUP AND THE SUSTAINABLE DEVELOPMENT GOALS

THE IDB GROUP IS COMMITTED TO SUPPORTING COUNTRIES IN ACCELERATING PROGRESS TOWARD THE SDGS

IDB Group Strategic Priorities

Sustainable Development Goals

SOCIAL INCLUSION AND EQUALITY

PRODUCTIVITY AND INNOVATION

ECONOMIC INTEGRATION

GENDER EQUALITY AND DIVERSITY

CLIMATE CHANGE AND ENVIRONMENTAL SUSTAINABILITY

INSTITUTIONAL CAPACITY AND THE RULE OF LAW

The IDB Group's strategic priorities are **fully aligned** with the SDGs

WE USE **EXPECTED RESULTS** TO IDENTIFY POTENTIAL CONTRIBUTIONS TO THE SDGS DURING PROJECT DESIGN

The Group classifies each of its new approvals based on its expected contributions to specific SDGs using its SDG Classification Methodology and publishes this information in the [SDG Project Finder](#).

In order to be classified as contributing to an SDG, projects must be able to measure their contribution to a given SDG target through an indicator in the project's results matrix or policy matrix.

WE USE STANDARDIZED INDICATORS TO **TRACK OUR CONTRIBUTIONS** TO SPECIFIC DEVELOPMENT TOPICS ACROSS THE ENTIRE REGION

OUR IMPACT REACHES BEYOND FINANCING

Public-private synergies

The IDB Group plays an active role in the promotion of public-private dialogue and partnerships

Building country capacity to establish public-private partnerships (PPP) and supporting strong enabling environments

Supporting PPP projects in transport, health, education, energy, and other sectors

Linking public and private actors through ConnectAmericas, the largest business network in the Americas

Coordinating the Americas Business Dialogue to foster high level public private policy dialogue among business and government leaders

Building synergies across the public, private, and innovation laboratory functions of the Group to enhance development impact

Resource Mobilization

The IDB Group mobilizes additional resources to support the region's development

\$10.8 billion in direct third-party financing and more than **\$21 billion** in indirect third-party financing deployed through new IDB Group projects from 2016 to 2020 in a range of sectors and countries, including those below.

\$24 million mobilized to support micro, small, and medium enterprises in El Salvador

\$268 million mobilized to support exports, value chains, jobs and the sustainability of a Brazilian paper producer

\$8 million mobilized to channel local currency and digital transformation support to over 60 microfinance institutions serving vulnerable populations and micro, small, and medium enterprises in the region

OUR IMPACT REACHES BEYOND FINANCING

Knowledge and capacity-building

The IDB Group uses its expertise to support knowledge generation that provides evidence of interventions that work and to foster knowledge-sharing and capacity-building.

The IDB Group carries out studies and impact evaluations to **generate knowledge and lessons learned** and partners with other institutions to address emerging challenges. For example, in 2020 the IDB partnered with New York University to tackle the immediate health crisis created by the COVID-19 pandemic, conducting an innovative [rapid policy advising initiative](#).

The Bank **supports knowledge sharing** through the [#BIDAcademy](#), an open educational platform, our [open data platform](#) and [regional events](#).

IDB Invest **advisory services** support clients across different sectors, **providing knowledge and technical assistance** in such areas as handling the impacts of climate change, supporting gender-lens investing, and creating a better environment for small businesses.

The screenshot shows the IDB Group Corporate Results Framework website. The main heading is "The IDB Group and the Sustainable Development Goals (SDGs)". Below this, there is a navigation bar with "HOME", "LEVEL 1", "LEVEL 2", "LEVEL 3", "ABOUT", and "SDGs". The main content area features a map of Latin America and the Caribbean with the following statistics:

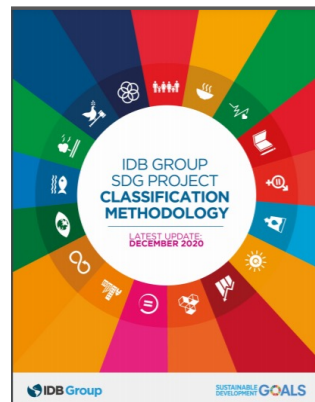

- 1,384 projects approved
- \$78B approved
- 190,000 children receiving early childhood development services targeted to the poor
- 500,000 households with solid waste disposed in a sanitary landfill
- 400,000 households benefiting from housing solutions

A circular chart shows the distribution of approved projects across the 17 SDGs. The chart is divided into 17 segments, each representing an SDG. The segments are color-coded and labeled with their respective SDG numbers. The chart shows that the highest number of projects are approved for SDG 1 (No Poverty), followed by SDG 2 (Zero Hunger), SDG 3 (Good Health and Well-being), and SDG 4 (Quality Education).
